# CHRISTMAS IN VIENNA

---

*When on one evening in the run-up to Christmas whole Vienna is covered in snow and the downtown palaces on the Ring Boulevard are festively illuminated, the probably most beautiful time of the year has arrived.*

## THE MAGIC OF VIENNA

Are you in the mood for avoiding the hectic Christmas preparations at home and for enjoying a peaceful dinner in the heart of Vienna? Allow yourself a couple of romantic days just the two of you after the Christmas celebrations at home – we offer you a charming blend of culture and enjoyment. As a prelude to a peaceful Christmas Eve we invite you to champagne and traditional Christmas cookies. At midnight St. Stephen's Cathedral invites for Midnight Mass and people begin to sing an ancient Austrian Christmas carol known all over the world: Silent Night, Holy Night...

Already in the run-up to Christmas the traditional Viennese Christmas markets warm up visitors' hearts with mulled wine and aromatic hot chestnuts on snow-covered winter days. Sparkling decoration and crèche exhibitions as well as colorful arts and crafts hold the magic of Christmas. At exclusive stores on Kärntner Strasse in the immediate vicinity of the Hotel Bristol, you find the right gifts for your beloved ones.

## WELCOME TO HOTEL BRISTOL

Charming Hotel Bristol next to the Vienna State Opera has been an inspiring meeting point for the rich culture and business life of the metropolis on the Danube for more than a hundred years. As a living example of Viennese flair and exquisite service the Bristol combines precious fin-de-siècle antiques with state-of-the-art technology. Your elegant oasis in the heart of Vienna. Your personal stay already begins with you being picked up in a stylish limousine and will be accomplished with the Bristol's excellent service.

## CULTURAL HIGHLIGHTS

Lean back and enjoy. More than hundred museums and over fifty theaters and opera houses offer exceptional cultural experiences in Vienna. While you prepare yourself for a performance at the Vienna State Opera right opposite the hotel, we are tuning you in on your culture evening with an opera program and a selection of canapés and sparkling champagne served to your room.

## ART AND DELIGHT

'Pioneers of Modernism' at the Belvedere. Our concierge will open the doors for you to a true art experience: The Belvedere owns the world's largest collection of paintings by Gustav Klimt and now presents this world-famous artist together with the congenial architect and designer Josef Hoffmann. Their intense collaboration, such in the *Beethoven Exhibition* at the Vienna Secession (1902) and the *Stoclet Palace* in Brussels (1905-12), set new standards in Europe when it comes to the concept of the *Gesamtkunstwerk*. Numerous works, such as Klimt's *Portrait of Fritza Riedler*, which clearly reflects Hoffmann's characteristic hand, attest to the two pioneers' mutual influence, which in this comprehensive exhibition is also explored with regard to their involvement in the *Wiener Werkstätte*.
