CULTURAL ARRANGEMENTS

Classic Connoisseurs know about the traditional vicinity of Hotel Bristol to the Vienna State Opera. Here, you enjoy perfect vistas. The rooms with a view of the Vienna State Opera bear the names of famous maestros. Hence you reside à la Gustav Mahler or Herbert von Karajan - these outstanding personalities who once were responsible for what was happening at the opera house next to the Bristol.

If you think that a culture weekend needs extensive planning, you can rest assured that we will organize everything for you in advance. Your opera and concert tickets are already waiting for you at the concierge's desk. As a living example of Viennese charm and exquisite service the Bristol combines precious fin-de-siècle antiques with state-of-the-art technology. The careful restoration of the entire 140 rooms and suites for an estimated EUR five million was completed this year, once more confirming the Bristol as your personal oasis amidst Vienna's rich cultural life.

Vienna offers more than a hundred museums and over fifty theaters and opera houses. No other place on earth can come up with so many famous composers who lived here, and many of them at the Bristol. At the Vienna State Opera you can see the most beautiful operas by Wagner, Verdi or Puccini. Enjoy great maestri such as Georges Prêtre who conducted the New Year's Concert 2010 at the Musikverein.

While you prepare yourself for an evening at the Vienna State Opera, we are tuning you in with an opera program and a selection of canapés and sparkling champagne served to your room. Our concierge opens the doors for you to neighboring Albertina. One of the world's finest art collections has been housed since 1805 in the Albertina, a grand Viennese palace in the neoclassical style. Great exhibitions like the famous collection Batliner or Andy Warhol will show breathtaking art.

On Monday we will say goodbye to you with an exquisite gift reminding you of a rich and relaxing culture weekend in Vienna.
